ARTICLE II

DEFINITION OF TERMS

201. Definitions. The following terms shall, for purposes of these Guidelines, have the following meanings unless the context shall clearly indicate some other meaning:

“Act” shall mean Chapter 122 of the Laws of 2003, as amended or supplemented.

“Authority” or “BFSA” shall mean the Buffalo Fiscal Stability Authority.

“Officer” shall mean any person so designated by the Directors of the Authority.

“Procurement Contract” or “Contract” means any written agreement of the Authority for the acquisition of goods or services of any kind in the actual or estimated amount of \$15,000, or more.

ARTICLE III

TYPES OF SERVICES FOR PROCUREMENT

301. The areas of responsibility and oversight requiring Procurement Contracts for personal services include, but are not limited to the performance of legal, accounting, management consulting, investment, banking, planning, training, statistical, research, public relations, architectural, engineering, construction, surveying, or other services of a consulting, professional or technical nature for a fee, commission or other compensation by a person or persons who are not providing such services as officers or employees of BFSA (“Personal Service(s)").

302. The reasons for use of Procurement Contracts for Personal Service include, but are not limited to:

- a. Requirements of special expertise or unusual qualifications;
- b. Nature, magnitude complexity of services required;
- c. Lack of sufficient in-house resources, support staff, specialized facilities or equipment;
- d. Lower cost;
- e. Short term need for the services;
- f. Infrequent need for the services; and
- g. Distance of the location or locations where the services must be performed from the Authority offices or facilities.

302. Procurement Contracts for Goods

The types of goods requiring Procurement Contracts include:

- a. Goods needed in order to proceed with a project of BFSAs; and
- b. Goods needed in order to support the administrative needs of BFSAs.

ARTICLE IV

SELECTION OF PERSONAL SERVICE CONTRACTORS

400. Selection Criteria

Except as specifically waived in accordance with the provisions of these Guidelines, the Act, State law, rules or regulations, Procurement Contracts shall be awarded as follows:

1. General Policy

Procurement Contracts are to be awarded to persons/firms on a competitive basis to the maximum extent possible.

- a. Such awards are to be made after notice is published in the New York State Contract Reporter and after the solicitation of proposals obtained from at least three qualified persons/firms.
- b. Such BFSA requests for proposals shall be preceded, where possible, by the preparation of reasonable cost estimates for such Contracts. Such cost estimates shall be the responsibility of the BFSA staff members initiating such requests for proposals.
- c. All proposals should be received at one designated location within the initiating department, and immediately should be stamped with the date and time of receipt.
- d. When appropriate, written selection criteria shall be prepared for each Contract, which shall include price as an important factor to be considered in the selection process. Analysis of the proposals and/or bids submitted and the award of the Contract shall be documented in reasonable detail. Awards to other than the low bidder shall include in such documentation the reason the low bidder was not selected.
- e. The initiator shall ensure that documentation related to proposals and/or bids and awards are maintained for not less than two years after completion of the services contracted for.

401. Advertisement Requirements

The solicitation of bids, proposals or submissions of qualification data for Personal Service contracts shall be made by the Authority in a manner determined by an authorized Officer of the Authority to be the most cost effective for providing reasonable competition for the Authority's Personal Service contracts while also promoting State business enterprises where possible, practical, feasible and consistent with open bidding. This may include advertisement in appropriate newspapers or trade journals, direct mailings to firms considered qualified and such other outreach mechanisms as are consistent with the policy of these Guidelines and as directed in section 2879 of the Public Authorities Law. Notice of Procurement Contracts opportunities must also be advertised in the State's New York State Contract Reporter.

402. Term

All contracts for Personal Services shall be limited to a maximum of one year unless the Authority Directors by resolution determine that a longer period for a particular contract is in the best interest of the Authority. Contracts for legal services and financial advice services shall not be longer than five years, including the initial contract period and any contract extensions approved by the Directors of the Authority.

403. Waiver of Selection Criteria

Procurement Contracts may be awarded without notice being published in the New York State Contract Reporter to persons/firms on a sole source or single source basis only on the written approval of the Executive Director or the Directors of BFSA. That approval will only be granted where the initiator can demonstrate:

- a. Emergency or other extraordinary circumstances exist which make competition impracticable or inappropriate; or
- b. Only one source for the goods or services is available; or
- c. Specialized services are required for which a certain person/firm's expertise is unique or such person/firm has greatly superior qualifications to perform the services at a cost that is determined to be fair and reasonable.

The initiator shall ensure that documentation related to the reason for awarding the contract on a sole source or single source basis and for not publishing notice in the New York State Contract Reporter is maintained for not less than two years after completion of the services contracted for.

404. Approval Process

The BFSA Directors shall approve the award of all Procurement Contracts for Personnel Services, regardless of the amount of said contract.

ARTICLE V

SELECTION OF VENDORS AND SUPPLIERS FOR THE  
PURCHASE OF GOODS

501. Except as provided by the Act, State law, rules or regulations, in the procurement of furniture, equipment, supplies and other goods for the Authority, the Authority shall perform the following tasks:

- a. Establish a realistic furniture, equipment and supplies budget.
- b. Place advertisements for goods and service in the same manner as described in 401 of these Guidelines.
- c. Perform a comparative pricing and cost analysis for each item needed, including prices of those items, which are available through the State Office of General Service contracts.
- d. Prepare contracts and/or purchase orders for the acquisition of all commodities. Use of State contracts is preferable when the items are available at lower costs.
- e. Monitor vendors for quality control and timely deliveries.
- f. Verify the quantities received and the quality of the products in light of the specifications, and monitor the vendor invoices for timely payments.
- g. If the estimated cost of the goods exceeds \$15,000 or more, a competitive bidding procedure will be followed.

#### ARTICLE VI

#### MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISE PARTICIPATION

601. The Authority shall, in order to promote the use of minority and women-owned enterprises in Procurement Contracts, solicit offers from minority and women-owned business enterprises known to have experience in the area of the goods or service to be provided, all in accordance with the BFA Act and State and Federal laws and regulations.

#### ARTICLE VII

#### POLICIES TO PROMOTE THE PARTICIPATION BY NEW YORK BUSINESS ENTERPRISES AND NEW YORK STATE RESIDENTS IN PROCUREMENT CONTRACTS

ARTICLE X

REPORTS TO THE DIRECTORS CONCERNING PROCUREMENT CONTRACTS

1001. The Authority shall annually prepare for approval by the Directors and public availability a report on Procurement Contracts as of the end of each fiscal year summarizing procurement activity by the Authority for the period of the report, including a listing of all Contracts entered into, the selection process used to select such Contractors and the status of existing Procurement Contracts. BFSA's Executive Director shall also prepare, on an annual basis, a report for submission to:

Said time records shall specify the dates and numbers of hours or portions thereof spent by Consultant (and Subconsultant) in performing its obligations hereunder. Upon request of BFSA during any stage of the work, Consultant shall deliver all such material to BFSA.

The Consultant agrees that it shall not publish, transfer, license or, except in connection with carrying out its obligations under this Agreement, use or reuse all or any part of such reports and other documents, including working papers, without the prior written approval of BFSA, except that Consultant may retain copies of such reports and other documents for general reference use.

## ARTICLE III
